Section 1: Rewards Points and earn rates for Rewards

There are six rewards categories in UCount Rewards:

- 1 Card Rewards**
- 2 Choose Your Own Rewards (CYOR)**
- 3 Fuel Rewards**
- 4 Retailer Rewards**
- 5 Standard Bank Mobile Data Rewards**
- 6 Goals and Gains (UCount Rewards in app platform only)**

1 Card Rewards

a For qualifying purchases under the spend cap

i You earn rewards points at the earn rate starting from 0.05% up to 1% of what you spend when you pay for qualifying purchases with your card at:

- any store (including online); and
- any rewards retailer.

ii The earn rate that applies to you is based on:

- your tiering level;
- the card that you use.

iii Evolve card holders automatically earn at credit card earn rates on card rewards.

b Exception for Choose Your Own Rewards (CYOR)

You will not earn card rewards for any amount you spend at a qualifying grocery retailer, qualifying fashion retailer or qualifying lifestyle retailer as part of the CYOR rule.

c Exception for fuel purchases

You will not earn card rewards for fuel purchases at a participating fuel retailer.

d Exception for SnapScan, Masterpass or Zapper

You can earn a maximum of 5000 rewards points under this rule if you use your card on SnapScan, Masterpass or Zapper. This applies regardless of the card that you use and the tiering level that you are on.

You will not earn card rewards on SnapScan wallet transactions.

e Exception for Payflex

Payflex transactions using your qualifying card will qualify for card rewards only.

The table below sets out the earn rates according to the card that you use and tiering level that you are on.

Card	Earn rate percentage on value according to tiering level					Spend cap for each fixed cycle
	Tier 1	Tier 2	Tier 3	Tier 4	Tier 5	
Credit card	0.25%	0.40%	0.50%	0.70%	1.00%	R50 000
Debit/Cheque card	0.05%	0.10%	0.12%	0.15%	0.25%	

- 2 Choose Your Own Rewards (CYOR)**
- a For qualifying purchases under the spend cap in your chosen category.**
 You earn rewards points based on your category at the earn rate starting from 0.5% to 20% of what you spend when you buy:
- qualifying grocery purchases at any participating grocery retailer; or
 - qualifying fashion purchases at any participating fashion retailer; or
 - qualifying lifestyle purchases at any participating lifestyle retailer.
- ii The earn rate that applies to you is based on:
- your tiering level; and
 - how much you spend
- iii Evolve card holders automatically earn at credit card earn rates on CYOR.
- b For qualifying purchases in another category**
 You earn Card Rewards for qualifying purchases in a category that you did not choose. Your earn rate is a maximum of 1% of your spend depending on your card and tiering level.
- c Exception for SnapScan, Masterpass or Zapper**
 You do not earn rewards points on choose your own rewards if you use your card on Snapscan, Masterpass, Zapper or you use your virtual debit cards or pre-paid virtual cards (i.e., generic virtual card, Admyt virtual card, Takealot virtual card, Travelstart virtual card, Uber virtual card, and Zando virtual card).
- d You earn up to 40% back in rewards points when you spend at Checkers, Checkers Foods, Checkers Hyper, Checkers Sixty60, Shoprite, Shoprite Hyper and Shoprite Sixty60 if you have chosen grocery rewards as your CYOR category.**
- i You earn rewards points at the earn rate starting from 0.5% up to 40% of what you spend, when you pay for all purchases made online at Checkers Sixty60 and Shoprite Sixty60, **excluding LiquorShop (Checkers and Shoprite)**, using your card.
- These earn rates include the CYOR rates, starting from 0.5% to 20%, as referred to in section 2a above.
- ii You earn rewards points at the earn rate starting from 0.5% up to 30% of what you spend, when you pay for purchases made in-store at Checkers, Checkers Hyper and Shoprite using your card.
- These earn rates include the CYOR rates, starting from 0.5% to 20%, as referred to in section 2a above.
 - Purchases made in-store at Checkers, Checkers Hyper, Shoprite and Shoprite Hyper using your card **excludes**:
 - All Checkers and Checkers Hyper Money Market transactions.
 - All Shoprite and Shoprite Hyper Money Market transactions.
 - All Checkers LiquorShop, Petshop Science and Shoprite LiquorShop purchases.
- Note:** all purchases listed under section, 2gi What does not qualify for grocery purchases, made at Checkers, Checkers Foods, Checkers Hyper, Checkers Sixty60, Shoprite, Shoprite Hyper and Shoprite Sixty60 will be considered as qualifying grocery purchases.
- iii For all other qualifying grocery purchases, at all other participating grocery retailers, you will still earn rewards points at the earn rate starting from 0.5% to 20% of what you spend, when using your card.
- iv If you have chosen fashion or lifestyle rewards as your CYOR category, you will earn rewards points at the earn rate starting from 0.5% to 20% of what you spend when you pay for qualifying fashion purchases at any participating fashion retailer or qualifying lifestyle purchases at any participating lifestyle retailer, using your card.
- e Exception for refunded transactions**
 Refunded transactions will reduce the qualifying CYOR spend eligible for earning Rewards Points in the fixed cycle in which the refund is performed, irrespective of the participating retailer and the earn rate at which the Rewards Points were initially earned.

The table below sets out the earn rates according to the card that you use and tiering level that you are on.

Fuel Rewards
For fuel purchases under the spend cap
 Earn from 10 cents a litre to R5 a litre in rewards points when you buy fuel

 - you earn rewards points for each litre of fuel that you buy at participating fuel retailers using your card.
- ii

The earn rate that applies to you is based on:

 - your tiering level; and
 - the card you use.
- iii

Evolve card holders automatically earn at credit card earn rates on fuel rewards.
- b

Exception for SnapScan, Masterpass or Zapper
 You do not earn rewards points on fuel if you use your card on Snapscan, Masterpass, Zapper or you use your virtual debit cards or pre-paid virtual cards (i.e., generic virtual card, Admyt virtual card, Takealot virtual card, Travelstart virtual card, Uber virtual card, and Zando virtual card).

The table below sets out the earn rates according to the tiering level that you are on and the card that you use

Qualifying Standard Bank Card	Tier 1	Tier 2	Tier 3	Tier 4	Tier 5	Spend cap for each fixed cycle
Credit card spend per litre	30 cents	45 cents	90 cents	R1.50	R5	The lower of: <ul style="list-style-type: none"> 20% of your total spend on the card; or R2 500 on fuel and oil.

- c

You can earn double rewards points on fuel
 You earn double the fuel rewards for each tiering level set out in the table above if you meet the following five criteria:

 - Your entire spend over the fixed cycle is done on your qualifying Standard Bank credit card;
 - Your entire spend on fuel on your qualifying Standard Bank credit card over the fixed cycle is at a participating fuel retailer;
 - You have a Standard Bank transactional current account that is in good standing (savings and credit card accounts are excluded);
 - You have two other Standard Bank products in different categories as set out under Qualifying products and services/transactions below (excluding those listed under debit cards, subscription services) that are in good standing;
 - The Standard Bank products you hold are active in the calendar month that you qualify to earn double rewards points on fuel.
- ii

If you don't meet the qualifying criteria set out above, you will continue to earn fuel rewards at the earn rate set out in the table above. If you have any spend on your Standard Bank debit/cheque card over the fixed cycle, you will not qualify to earn double rewards points on fuel.

Note: Should you have any spend using your card at fuel forecourts or convenience stores on fuel forecourts that are not participating fuel retailers, you will not qualify to earn double rewards points on fuel in the respective fixed cycle. However, you will still qualify to earn up to R5 a litre in rewards points for each litre of fuel that you buy at participating fuel retailers using your card.
- d

Exception for refunded transactions
 Refunded transactions will reduce the spend on fuel eligible for earning Rewards Points in the fixed cycle in which the refund is performed, irrespective of the participating fuel retailer and the earn rate at which the Rewards Points were initially earned.

- e

How rewards points are calculated for fuel purchases
 To determine the number of litres of fuel that qualify for rewards points we use the weighted average fuel price provided by Astron Energy and Caltex for the fixed cycle.

- 4

Retailer Rewards
 You earn rewards points at the earn rate from 0.25% up to 20% when you pay for qualifying purchases with your card at the rewards retailers listed in the table below.
- b

The earn rate that applies to you is based on:

l Goals and gains Goal Completion

Various statuses are assigned to a goal in goals and gains in the UCount Rewards in app platform of the Standard Bank mobile app.

A goal in the "Achieved and Unclaimed" status means, you have accessed a goal, viewed the requirements of the goal, successfully completed the goal and can claim your gain. A goal with a "Achieved and Unclaimed" status will appear in the "Achieved" section under Goals & gains. For more information on the statuses assigned to goals, access goals and gains in the UCount Rewards tile in the Standard Bank mobile app.
